Getting Involved Guide

Student asks about...

**CLUBS/SOCIETY INVOLVEMENT**
- Clubs include athletics such as soccer and cycling
- Societies include being a member at large or executive positions in both academic and social groups

**CIVIC INVOLVEMENT**
- Volunteer with societies or Chaplaincy; community service and tackle social justice issues

**ACADEMIC INVOLVEMENT**
- The LEAD program is a certified program that develops leadership skills
- Peer mentoring is a good way to give back to other students while practicing personal/academic skills
- Gaining relevant work experience can really enhance a student's academic studies and career prospects

**GENERAL INVOLVEMENT**
- Campus life has many departments to help students get involved
