

DIT Health & Safety News

What's New? January 2012

Assembly Points

Maps and images of our new assembly points can now be found on our health and safety website www.dit.ie/safework

Radon

Further tests for radon gas took place in all outstanding Institute Buildings. We are very pleased to report that all results came back well below the national workplace reference level. All Institute Buildings are currently compliant.

Site Specific Manuals

Site Specific manuals have been developed by the Occupational Health Officers for each campus and they are available on the health and safety website www.dit.ie/safework.

Safety Alerts

Vision Panels on Doors Please note that all vision panels on doors should be kept clear and not obscured to ensure ease of evacuation for evacuation marshalls.

Safety Video Library

The complete safety library is now available on the DIT health and safety website.

The Health and Safety Team would like to take this opportunity to wish you all a happy, healthy and safe new year . Please contact us if we can help you in any way throughout the year. Our contact details can be found on the safety website www.dit.ie/safework

Safety matters
