

# ENGINEERING & BUILT ENVIRONMENT

**“this is your guide to a career in engineering, to a life of adventure, achievement and discovery”**

## HONOURS DEGREE PROGRAMMES - LEVEL 8

	CODE	Pg No.
Architectural Technology	DT175	132
Architecture	DT101	134
Building Services Engineering	DT026	138
Civil Engineering	DT027	142
Computer & Communications Engineering	DT081	194
Construction Economics & Management (Quantity Surveying)	DT111	176
Construction Management	DT117	178
Electrical Services & Energy Management	DT712	188
Electrical/Electronic Engineering	DT021	186
Engineering (Common First Year)	DT025	136
Geomatics (Surveying & Mapping)	DT112	170
Manufacturing & Design Engineering	DT023	154
Mechanical Engineering	DT022	148
Medical Device Innovation	DT710	158
Planning & Environmental Management	DT106	172
Product Design	DT001	156
Property Economics	DT110	182
Structural Engineering	DT024	146
Transport Operations & Technology	DT028	162

## ORDINARY DEGREE PROGRAMMES - LEVEL 7

Auctioneering, Valuation & Estate Agency	DT104	184
Automation Engineering	DT003	164
Automotive Management & Technology	DT007	166
Aviation Technology	DT011	152
Building Services Engineering	DT005	140
Civil Engineering	DT004	144
Electrical & Control Engineering	DT009	192
Electrical Services Engineering	DT010	190
Electronics & Communications Engineering	DT008	198
Engineering Systems Maintenance	DT002	160
Mechanical Engineering	DT006	150
Networking Technologies	DT080	196
Timber Product Technology	DT169	180

## HIGHER CERTIFICATE/ CERTIFICATE PROGRAMMES - LEVEL 6

Buildings Management (Maintenance & Conservation)	DT170	174
Preliminary Engineering	DT020	168
