

RESC Reunion Event

Friday 17th October 2014, Seminar Room, Focas Research Institute

As part of the 10 year anniversary celebrations of the Focas Research Institute, we are hosting an RESC Reunion Event with all the current and past staff and students and friends and supporters of RESC from over the years. There will be a talk on the history of RESC by Prof Carmel Mothersill and short talks from current and past staff and students. Prizes of €50 One4All vouchers will be available for the top three talks as voted for by the audience. We will also have prizes of €50 One4All vouchers for the top two funniest RESC stories again voted for by the audience.

After the presentations, we will have food and wine and a table quiz with rounds on general knowledge, movies and TV shows, dingbats as well as on the RESC and radiation science. Prizes of 5 x €20 One4All vouchers will be available for the winning quiz team with spot prizes for the runners up and for the team with the least points.

All welcome!
