Dublin Bus Services

There are currently 44 routes served by Dublin Bus within walking distance of the DIT Grangegorman campus. Download the Transport for Ireland National Journey Planner app to find the best route for you. When you find the route that best suits you, you can download and use the Real Time Ireland App to get accurate arrival times.

Bus Éireann Services

Bus Éireann provides a nationwide bus service, with most major areas having a regular link to Dublin City. The majority of services terminate in Busáras (Central Bus Station, Dublin) from where it is a short walk to O'Connell Street for connecting services to DIT Grangegorman. Bus Éireann routes that serve within walking distance of the campus are 103, 105, 109 and 111.

Tram

Luas Services

Smithfield is the nearest Luas stop to the DIT Grangegorman campus. It's on the Red Line, which serves from The Point or Connolly Station to Tallaght and Citywest, and vice versa.

If you're wondering about connecting to other transport services from Luas, download the free Transport for Ireland National Journey Planner app. See Transport for Ireland Apps for more information.

Real Time Ireland

National Journey Planner

National Journey Planner

To find the best route for your journey, use the free National Journey Planner app (also available from the Windows store). All you have to do is type DIT Grangegorman Campus and your destination.

Use the map overleaf to locate your nearest tram line and bus stops.

Taxi Driver Check

Ireland's Taxi Driver Check App allows you to verify that the taxi you are about to hire has been correctly registered and that the driver has the appropriate licence to operate the vehicle.

There is also the facility to email a friend with trip details.

Real Time Ireland

Enter your bus stop or train station into the Real Time Ireland App to find out when the next service is due!

The App integrates all real time arrival information services from Dublin Bus, Bus Éireann, DART, Iarnród Éireann and Luas services.

Cycle Planner

The Cycle Planner provides information on the best cycling routes in Dublin based on individual cycling capabilities.

If you are new to cycling or getting out on the bike after a long break, the Cycle Planner will find a route that avoids roads with heavy traffic and difficult turns at busy junctions.

For more advanced cyclists, the Cycle Planner displays the most direct route, whilst still recommending cycle tracks where they exist.

Walking and Cycling

How long would it take you to walk or cycle to DIT Grangegorman?

Check out the time bands overleaf to see how long it would take you to walk or cycle to and from the campus. Cycle times are detailed further in the box below, and don't forget to use the Cycle Planner App to find the best route for you.

30min walk = 2.5km
