

School of Surveying & Construction Management ,
Dublin Institute of Technology,
Bolton Street, Dublin 1,
is hosting the first ever
Surveying Week
for Secondary level (Transition Year) students
to showcase the different
land/property/construction programmes
of Ireland's leading Surveying School,
in a
practical and 'learning by doing' fun environment.

This Surveying week is being supported by the
Society of Chartered Surveyors Ireland

Transition Year Student Surveying Week 28th April - 2nd May 2014

School of Surveying & Construction Management , DIT Bolton Street Dublin 1

- Join the staff and students in the DIT Bolton Street campus and experience Property, Construction Management and Geomatics programmes
- Use state of the art survey instrumentation, undertake site visits, experience lab work, project based learning and practical tutorials.
- Learn from our current students what positive career opportunities lie ahead upon graduation, and about the current research and further study options that many are pursuing.
- If you are interested in applying for this weeklong event, please email Catherine Noble cnoble@scsi.ie for further information. Places are limited and will be filled on a first come first served basis. Registration costs € 30 which covers lunch for the 5 days, all activities and site visits etc.
- Registration closes Monday 7th April
