Terms and Conditions

Once a student (further called 'participant') has submitted an application he/she is subject to these terms and conditions, which affect application, payment terms, cancellations, postponement and non-attendance.

Refunds and Cancellations

The Alliance Summer School (further also called 'we' or 'us') has a minimum required attendance level and reserves the right to cancel or postpone the project if too few enrolments are received or due to circumstances beyond the Alliance Summer School's control.

The Alliance Summer School will not accept liability for costs incurred by participants or third parties as a result of the project being cancelled or postponed. The Alliance Summer School will not accept liability arising from any modification or amendment of course contents or venue. If the minimum number of applications will not be reached, the Alliance Summer School will refund the program fee.

In the case that a participant wishes to cancel their enrolment, they must inform the Alliance Summer School in writing. If sending such notice by letter or email participants are advised to keep evidence of the day it was sent.

If a participant wishes to cancel their registration, the following rules apply:

- The Participant cancels 2 months before the program starts: 50 % of the program fee will be retained.
- The Participant cancels 4 weeks before the program starts: 70 % of the program fee will be retained.
- The Participant cancels less than 2 weeks before the program starts: full program fee will be retained.

The cancellation and refund provisions in this section apply irrespective of when an application for enrolment is submitted.

Visa

Applicants are responsible for obtaining the required visa that enables their participation in the Alliance Summer School on Sustainability and Mobility and the rejection of a visa application by the authorities of Switzerland does not affect the application of these terms and conditions.

The cancellation and refund provisions apply irrespective of whether cancellation is due to a failure to satisfy visa requirements in good time before the course start date or other similar reason, such as failure to apply for visa in appropriate time or delay with visa process.
