Emergency First Aid Procedure

First aid and AED training is available to all DIT staff.

1. Safeguard your own safety, then assess the nature of the incident:

   - **Slight**
     
     - **For straight-forward injuries that can be dealt with immediately:**
       
       - Contact First Aider:
         - Porter’s Desk: 3061 / 7004
         - Departmental First Aider
       
       - Contact Occupational Health Officer for advice:
         - Yvonne McArdle (OHO) (01) 402 4603 or 087 9809135
           (Mon – Fri 9:00am – 5:00pm)

   - **Worrying**
     
     - **If the incident requires immediate medical attention:**
       
       - Arrange transport for the staff/student to their local GP or A&E Department
         - Nearest A&E is St. James Hospital: Tel: (01) 410 3000
       
       - Sick / unwell / injured students can attend the DIT Student Health Centre
         - Aungier Street: Tel: (01) 402 3051 (Mon – Fri 9.00am – 5.00pm)
       
       - For urgent out of hours GP service in the South Dublin area
         - DL DOC: Tel: (01) 6639869 (Mon – Fri 6.00pm – 8.00am, Sat/Sun 24 hours)
       
       - If there is any doubt about the severity of the injury/illness
         - Contact Emergency Services on 112 or 999
       
       - A friend / responsible person should accompany staff member/student to hospital

   - **Serious**
     
     - Contact Emergency Services immediately at 112 or 999
     
     - Keep the person comfortable until the ambulance arrives
     
     - A friend / responsible person should accompany staff member/student to hospital

2. If there is any doubt regarding the severity of an injury/illness, contact the emergency services: 112 or 999

3. A first aid kit, AED and incident report book are available at the Porter’s desk.

4. Once immediate first-aid treatment has been given, and an ambulance may not be necessary, but a visit to A&E / Doctor is advisable: send the injured person in a taxi accompanied by a friend/responsible person.

5. First Aider shall ASAP inform the person’s supervisor & OHO of the action taken.

6. Complete Incident Report Form ASAP and forwarded to the Health and Safety Office.
WELFARE FACILITIES

Student Health Centre
The Student Health Centre is available to DIT students.

Location: Room 2051, DIT, Aungier Street
Contact: 01 402 3051
Times: 09:00am – 5:00pm Monday to Friday during term-time

Occupational Health

- At the recruitment stage all staff members are required to undergo a pre-employment medical. This is arranged by the Institute’s Human Resources department.
- Health surveillance is made available to staff appropriate to occupational risks.
- A referral system is also in place with a designated independent occupational health physician so that expert advice may be sought where there is a concern about an individual’s health and safety in relation to their work.
- Eye and eyesight tests are made available to all staff members at the National Optometry Centre (NOC) at DIT, Kevin Street. For further information please see the “Policy on Provision of Eye & Eyesight Tests to PC/VDU Users” which is available on the website www.dit.ie/safework

Pregnancy

- Pregnant staff members and students should contact their local Occupational Health Officer for a confidential risk assessment in order to ensure the safety and wellbeing of both mother and child.

Occupational Health Referrals

- Where appropriate a staff member/student may be referred to Medmark. Medmark provide specialist occupational health and medical advice for employers and employees. Medmark also carry out Hepatitis B vaccinations and hearing tests for specialist areas of DIT.
INCIDENTS & HAZARDS

Incident Reporting

- All incidents (including personal injuries, dangerous occurrences, and near-misses) must be reported immediately and recorded on a DIT Incident Report Form.
- Incident Report Forms are available from:
  o Porter’s Desks/Reception Areas
  o Occupational Health Office
  o College Administrator’s Office
- The Institute’s Procedure for Reporting Incidents is available on website [www.dit.ie/safework](http://www.dit.ie/safework)
- The DIT Health & Safety Office maintains a central record of all incident reports received.
- The local Occupational Health Officer produces periodic incident analysis reports.

Hazard Reporting

- To report a hazard, go to the website [www.dit.ie/safework](http://www.dit.ie/safework) and submit an online report directly to the Health & Safety Office.
FIRE & EVACUATION

Signage & Notices
- Emergency Floor Plans and Fire Action Notices are displayed on each floor in a prominent position. Emergency Floor Plans for the building are also available on the website www.dit.ie/safework.
- Safety Notice Points in corridors and common areas in each building highlight site-specific safety information e.g. the location of the safety notice-board, local Occupational Health Officer, local Safety Representative, location of AEDs etc.

Fire Register
- The Fire Register has been produced to keep records of various checks, tests and inspections that are required to be carried out. The Building Maintenance Manager Bill Hennessy will designate a porter to maintain the Fire Register. All data relating to inspection, testing and maintenance of fire protection systems and equipment will be recorded in the Fire Register.
- The Register is kept at the porter's desk/reception for each building so as to be available for inspection by an authorised officer of the Fire Authority or Health and Safety Authority.

Smoke-Free Policy
- Smoking is strictly prohibited within all DIT buildings and within 6 metres of all main entrances, doors and windows.
- Please use the designated smoking areas provided and kindly dispose of your cigarette butts in a clean and safe manner.
- DIT’s Smoke-Free Policy is available on the health & safety website: www.dit.ie/safework

Evacuation Drills
- Evacuation drills are held twice per semester, one during the daytime and one during the evening / night-time (depending on the opening hours of the building).
- Drills during semesters September to December and January to May are announced to relevant staff members.
- The Occupational Health Officer in cooperation with the Local Health & Safety Team organises the evacuation drills.
- Details of evacuation drills are recorded by the Building Services Supervisor and Occupational Health Officer (where necessary).
Evacuation Procedure

- Shut down equipment (gas/electricity) if safe to do so and time permits.
- Close windows and doors to confine smoke/fire.
- Evacuate the building* immediately by the nearest available exit “sweep searching” areas as you go.
- Form a single file on both sides of the corridor or stairway, leaving the centre passageway clear.
- Do not delay or stop to collect personal belongings.
- Do not use the lift.
- If heavy smoke present, try to find another exit or crouch low to the floor.
- Report to your Assembly Point.
- Report details of any casualties or people needing assistance with evacuation to the Incident Controller.
- Do not return to the building until instructed to do so by the Incident Controller.

Evacuation Marshals

Aungier Street

Note: All staff shall act as Evacuation Marshals
Assembly Point(s)

Assembly points are upon by the DIT Health and Safety Committee in consultation with the local Local Health & Safety Team. The assembly point is a designated area of safety where people should assemble in the event of an emergency.

The Assembly points for DIT, Aungier Street are:

1. Bishop Street Lane / Kevin Street Path
2. Whitefriar Street to Golden Lane
Evacuation for People with Disabilities

The emergency evacuation requirements for a person with a disability will be assessed by the Local Occupational Health Officer in consultation with the Disability Support Service. If appropriate, a Personal Emergency Egress Plan (PEEP) will be developed. The purpose of a PEEP is to identify any additional arrangements that may reasonably be made to enable their effective evacuation in an emergency. This specific plan will reflect the unique characteristics of the buildings that they need to visit and the persons own requirements. Staff and students are encouraged to contact their local Occupational Health Officer if they have a disability whether it is permanent or temporary.

Evacuation Evaluation

An evaluation of each evacuation will take place subsequent to the evacuation. The Occupational Health Officer will arrange the circulation of evaluation report forms to all staff for completion, where possible, and then compile an overall report on the effectiveness of the evacuation. An online facility is also available on the website (www.dit.ie/safework) for submission of feedback on evacuation drills by staff, students and visitors.
INFORMATION & TRAINING

**Safety Statements & Risk Assessment**

- The Institute’s Health & Safety Statement is available electronically on the website [www.dit.ie/safework](http://www.dit.ie/safework). Section 2 outlines the safety management structure and assignment of responsibilities within DIT.
