DIT Health & Safety News

Safety Statements & Risk Assessments

We have now completed all safety statements and risk assessments. Some await final approval. They will all be available on the health and safety website. Thank you all for your cooperation with this major project and also for your patience during our period of reprioritisation to allow for this project to be completed.

Welcome back staff and students!

We hope you had a nice summer break

Contact us:

A reminder that your local Occupational Health Officer's areas of responsibility have changed.

New policies and procedures

It has been a busy year updating safety policies and procedures.

Check out the "What's New" section of the website www.dit.ie/safework, to track the status of all new policies and procedures.

New policies will be released for consultation this semester and we look forward to hearing from you.

New Strategic Plan for 2014 – 2016

Our new Strategic Plan 2014 – 2016 is coming soon.

What's Happening?

E – cigarettes and Smoking at DIT
Smoking (including the use of electronic cigarettes) is prohibited **within all Institute buildings & within the curtilage of all Institute buildings, without exception.**

New Posters for 2014/2015

Please keep an eye out for our new poster campaign.
