

# In Case of Emergency **ICE** Your phone

**75% of mobile phone users do not have a designated contact person in their phone in case of emergencies (ICE)**

**Make it easy for the Emergency Services to contact your next of kin**

## HOW TO ACTIVATE ICE

Simply go to 'Contacts', select 'Add New Contact', enter the letters 'ICE' under the name followed by the telephone number of your next of kin (ensure both daytime and evening numbers are included if possible)
